December 2, 2019

DEC File No.: 900.45.045  
Authorization: AKG332050  
Revision 2

Mr. Bruce Dingeman  
Executive VP of Operations & Development  
Oil Search Alaska, LLC  
P.O. Box 240927  
Anchorage, Alaska 99524

**Re: Authorization under Alaska Pollutant Discharge Elimination System (APDES)  
General Permit AKG332000 – Facilities Related to Oil and Gas Exploration,  
Production, and Development in the North Slope Borough**

Dear Mr. Dingeman:

The Alaska Department of Environmental Conservation (DEC), Wastewater Discharge Authorization Program (WDAP) is issuing Revision 2 to authorization **AKG332050 – Oil Search Alaska LLC, Development & Drilling Program** to affect a name change and to identify the following new locations to be covered under the existing authorization for storm water (Discharge 006):

- Nanushuk Production Facility,
- Nanushuk Drill Site A,
- Nanushuk Drill Site C,
- Stirrup 1 Construction Pad,
- Mitquq 1,
- Nanushuk Operations Pad,
- Nanushuk Drill Site B,
- Stirrup 1,
- Stirrup Midway, and
- Mitquq 1 Construction Pad.

This revised authorization becomes effective upon receipt of this letter. Sites covered under Discharge 006 – Storm Water must be identified in the most current approved version of the Storm Water Pollution Prevention Plan (SWPPP).

Per AKG332050 Revision 1, the following Gravel Mine Sites have been authorized for ice road and ice pad construction:

- Mine Site ASRC,
- Mine Site F, and
- Mine Site Mustang.

A copy of this APDES authorization has been provided to the DEC Compliance and Enforcement Program (CEP). As a reminder, a Discharge Monitoring Report (DMR) for each discharge location must be submitted monthly (even if a discharge has not occurred). Spill and violation report forms may be found in the back of Permit AKG320000 or online at <http://dec.alaska.gov/water/compliance/permittee/> or a team member with CEP may also provide you with copies of the appropriate forms upon request.

Mr. Dingeman  
December 2, 2019  
Page 2

As of January 1, 2018 Phase I of the eReporting Rule is in effect and all DMRs for long-term authorized discharges (e.g., Discharge 002 – Graywater) must be submitted electronically through NetDMR per Permit Section 2.10.1.4. DMRs for short-term authorized discharges (e.g., 003 – Gravel Pit Dewatering, 004 – Excavation Dewatering, and 005 – Hydrostatic Test Water) and deliverables required by the permit that cannot be entered directly into the NetDMR (e.g., Notice of Violations, Spill Notices, Notice of Terminations, Delegation of Authority, Authorization Transfers and Name Change Requests) are submitted via hardcopy through the mail or pdf through email to the following addresses:

Department of Environmental Conservation, Division of Water  
Compliance and Enforcement Program  
555 Cordova Street Anchorage, AK 99501  
Nationwide: (877) 569-4114 | Main: (907) 269-4114  
Fax: (907) 269-4604  
Email (Preferred): [dec-wqreporting@alaska.gov](mailto:dec-wqreporting@alaska.gov)

When submitting by email, please copy the Oil and Gas Section at [dec.water.oilandgas@alaska.gov](mailto:dec.water.oilandgas@alaska.gov). Finally, all correspondence with the Department regarding this authorization must include a reference to **AKG332050**. If you have any comments or questions regarding this authorization, please feel free to contact Monica Boyer at (907) 269-4720, or [Monica.Boyer@alaska.gov](mailto:Monica.Boyer@alaska.gov).

Sincerely,

Gerry R. Brown, PE - Manager  
WDAP Oil and Gas Section
